SENIOR PERSONALIZED PARKING SPOTS

Dear Seniors-

ALL FORMS MUST BE SIGNED AND COMPLETED PRIOR TO THE DATE OF PURCHASE OR YOU WILL NOT BE ABLE TO PURCHASE A PARKING SPACE.

Seniors will be given the opportunity to pick and personalize your spot in the back parking lot. Permission to drive to school and park on a Wood County Schools campus is a privilege. Students who elect to park on the campus are subject to WCSBOE Policy 5146 and WCSBOE Drug Policy 5142.2. Here are the rules that govern your personalized spot:

1. No inappropriate words, symbols, or political affiliations are permitted that would violate any school policy.
2. You may only use paint that can be brushed or rolled on.
3. You may paint only 6 inches inside the yellow line and in; any paint within 6 inches of the yellow or on it will be painted over and you will default your spot.
4. Any violation of the above rules will result in your permit being revoked and no refund will be issued.
5. No one else can park in the spot besides you.
6. Must be socially distant when painting spots.

Only those Seniors who pay the \$50 fee will get a reserved spot and it must be personalized so we know it is yours.

Enjoy your Senior Year!
