**Comments:** We had a nice day to run and a traditionally fast course. It resulted in 14 Season Best times, beating our old marks by an average of 1 minute and 13 seconds. The girls' team finished just 2 points behind Doniphan West who is ranked #1 in 1A. This meet was scored as a 1A meet, which means the top 4 runners' places counted for team scores instead of the usual 5. If it had been scored with 5 runners then we would have only been 1 point behind Doniphan West. We've still got work to do, but it was good to see the times start coming down.
