The Savannah R3 School District is seeking qualified proposals for design, labor, materials, and all necessary supplies related to constructing an inclusive playground at Amazonia Elementary.

Playground equipment and surfacing shall be pursuant to all applicable regulations regarding the design and installation of play equipment, impact attenuating surfaces and ADA accessibility.

All bid proposals should be submitted to the office of the Superintendent of Schools, Savannah R-III School District, 408 W. Main St., Savannah, MO 64485, no later than 10:00 AM, Tuesday, November 2, 2021. Bids will be opened at this time. Please mark your bid "AZ PLAYGROUND BID". The bids will be considered at the November 18, 2021, regular Board of Education meeting, held at Central Office. The Board of Education reserves the right to accept or reject any or all bids.

For further information regarding this project or to schedule a site visit please reach out to Elorie Boeh, Amazonia Elementary Principal. (See reverse side for project specifications)

Project Specifications

This playground will be a new addition to the existing play spaces at Amazonia Elementary. It will be constructed 10 feet from the back of the building and connect to the existing sidewalk to allow for zero point entry.

The play surface should be 20' by 60' and be comprised of a unitary rubber or artificial material that is ADA-compliant and meets impact attenuation criteria.

The playground should include activities or equipment for wheelchair bound students and typical peers.

This project should be completed by spring of 2022.

Budget for the project is \$25,000.

Bid Requirements

- Itemized listing of all costs, including labor, to complete the project
 - Play equipment information and uninstalled pricing (per each piece of equipment)
 - Safety surfacing information and pricing (installed)
 - Total installation pricing for play equipment
 - List and describe any other fees
- Ariel view drawings or layouts
- Each play element that is proposed shall include manufacturer information, pictures, warranty information, and pricing
- Proposed surface materials shall include pictures, product details, warranty information, and pricing
- Company qualifications including work history, capability to perform all aspects of the project, company reputation, comparable projects, etc.
- Multiple proposals may be submitted
