Italy Independent School District (“the District”) has received the following questions and offers the answers, below, with regard to the Request for Qualifications – Annual Financial Audit (“the RFQ”):

- Question No. 1: Does the proposal need to include a cost estimate section? I did not see it as a requirement in the RFQ, unless your board is only interested in evaluating the firms by qualifications.

- Question No. 2: What was the cost of the previous years audit?
 - **Answer: The cost of the audit for FY 21/22 was \$26,500.**
- Question No. 3: Do we need to also submit an engagement letter to be signed by the board with the proposals?
 - **Answer: Please review and respond to the RFQ as issued.**
- Question No. 4: To confirm, ten copies of the proposal need to be bound and sealed, and sent to the district's office, correct? (I can additionally send a USB Drive with the proposals if you would like an electronic version to make copies.)
 - **Answer: Please review and respond to the RFQ as issued. See Section IV.B.**
- Question No. 5: Have there been any addendums released, or questions from other competing firms made available?
