Student Learning Objective Worksheet – Mid-Point Review

Teacher Name	Mid-Point Check-in
---------------------	---------------------------

MID-POINT DATA REVIEW

What kind of mid-point data did you examine to review student progress toward goals?
What did your review reveal? What adjustments to instruction will be made (if any)?

MID-POINT ADJUSTMENT

Based on the mid-point data review, will there be any adjustment(s) to any aspects of this SLO?

No Yes

If there will be adjustments, describe the reason(s) for the adjustment(s). Adjustments include removing students who have had too many absences, withdrawn or newly enrolled students, students who have been newly identified as requiring special education services (504, IEP, etc.).

What specific adjustments are recommended? Attach a revised version of your SLO form.
