Table top discussions and reports out to the group

Primary: Community culture, Activities tie into core, Parents need more training, Hosted Day in the life of a 1<sup>st</sup> grader, concern w/larger class sizes

Elementary: Invite/use parents more, reading program doing well, buddy bench @ recess, thankful for M. Domerese in interventions, website/app are challenging, Cub Cam and Schoology are good

Intermediate: Schoology—parents want to see questions missed, updates are on notifications on

Schoology—multiple building parents, challenge with class sizes, need competitive salary

Middle: Reading scores, need reward for reading more, parent communication going well

Junior High: Re-vamping parent resources in library, parent meeting Nov. 3 about drugs/social media, need more parents that reflect demographics, get more info through texting, completing home room check ins

High School: Cafeteria—excited that is going back to what is was, trouble with vapes—serious issue

Overall: Parents enjoy/prefer texts

Mr. Sexton: “We should be the highest paid district in the area.”

Thompson encouraged all to reach out to admin or building facilitator at any time.
