To the Parents/Students of the Wynford Eighth-Grade Class,

Wynford's eighth-grade class has reached the allotted percentage of close contacts amongst their peers in class with COVID-19. Effective **Thursday, October 7, 2021**, the entire eighth-grade class will be required to wear a mask at school or quarantine at home until **Monday, October 18, 2021**. This proactive approach is an effort to bring the numbers of active COVID-19 cases down to a minimum again. The goal is to keep our students healthy and safe in school. If you choose to quarantine your son/daughter instead of having them wear a mask, please contact the school tomorrow to inform the attendance office.

Thank you,

Brent A. Konkle

Wynford Middle School Principal
