Dear Maple Run Community,

Surveillance testing is showing to be a successful way to collect data and monitor any community spread of COVID-19, with 591 staff and students participating weekly. Monday, October 11th there will be no school for students and staff because of the scheduled Fall Break. Due to this, Surveillance Testing for next week will be postponed until the following Monday, October 18th. Thank you for the continued joint effort in keeping our community safe and healthy.

Sincerely,
