Principal's Points of Pride

The 2021 - 2022 school year starts August 23rd and our cheerleaders are prepping to start the year with lots of spirit and pride. This past week, LVECHS hosted its own summer cheer camp for the LMS and LVECHS Varsity Cheer squads.

Dr. Antonio Layton Jr.

They learned quite a bit and are ready to bring Cardinal Spirit to our games and events. It was so exciting to see our cheerleaders back together again. You can see the excitement in their faces. Go Cardinals!

Mrs. Lisa Menchaca

The 2021 - 2022 school year is just around the corner. I look forward to providing support and guidance to our students and their families as we transition back to face-to-face instruction. We are very excited to welcome back our students, including freshman and sophomores, some of which we have yet to meet in person. There are so many activities we have planned for our students this year such as college recruiters, presenters, application drives, FAFSA Nights, and much more. This will be the start of a great school year!

Cardinal Spotlight

Mr. Rusvel Villarreal

Mr. Luis Rodriguez Sr.

New Cardinal Family!

We would like to give a BIG Welcome to the newest members of our Cardinal family!

Mr. Villarreal will be our new history teacher. He received his Bachelor of Arts in Social Studies Composite from the University of Texas Pan-American. This will be his 6th year in education and has taught 9th-12th grade Social Studies. His goal as an educator has always been to inspire and motivate students to become better individuals.

Mr. Rodriguez Sr. will be joining our special education program. He started his teaching career 10 years ago and holds a Bachelor and Masters in Special Education and looks forward to working with La Villa staff to bring out greatness in all students in the classroom and athletes on the field! Mr. Rodriguez says, "We all have greatness within us. Let it seep out and be contagious!"

Attendance Matters!

Our goal this year will be to increase our attendance percentage to 95% for all grade levels. We will achieve our goal by promoting weekly attendance progress on our scoreboard, provide incentives, and continuous communication to our students and their parents.
