Principal's Points of Pride

While most students enjoy the last days of summer relaxing before the start of the school year, several Cardinal students are putting the time in for the new season. Students from our FFA program provide some care and upkeep by cleaning, grooming, and feeding their show animals in the beautiful AG Barn Facility.

Our football and volleyball student athletes are working hard

during summer strength and conditioning. LVECHS student commitment is a true example of Excellence in Action!

Cardinal Spotlight

Ms. Breanna Dodd

Mr. Alonzo Garza

New Cardinal Family!

We would like to give a BIG Welcome to the newest members of our Cardinal family!

Ms. Dodd earned her Bachelor of Science degree from the University of Nevada Las Vegas. She has taught Biology, Chemistry, and Human Anatomy over the past five years of her teaching career in Las Vegas.

Her goal as an educator is to expose students to knowledge and experiences that help them build skills to lead successful and fulfilling lives after high school.

Mr. Garza graduated from Texas A & M University of Kingsville with a Bachelor and Masters in Agricultural Science. He has been in the FFA program since 1990 with successful student show projects.

Mr. Garza is his 14th year of teaching Agricultural Science and wants to our LVECHS FFA students to keep in mind the FFA Motto - "Learning to Do, Doing to Learn, Earning to Live, Living to Serve".

Counselor's Corner

August 23rd is the official first day for both our traditional students and our STC dual enrollment students. As we start the year out right; communication must be at the center of all we do. To keep open lines of communication, I encourage all our students to sign up for my Remind App groups that are specific for grade levels.

11th Grade: Text the message @lavilla23 to 81010 12th Grade: Text the message @lavilla22 to 81010

Attendance Matters!

Our goal this year will be to increase our attendance percentage to 95% for all grade levels. We will achieve our goal by promoting weekly attendance progress on our scoreboard, provide incentives, and continuous communication to our students and their parents.
