5 Enrollment and Attendance Records

6
7 Average Number Belonging

8
9 Average Number Belonging (ANB) is the enrollment measure used for the State Foundation
10 Program calculations as defined in § 20-9-311, MCA. The ANB of one year is based on the
11 attendance records of the preceding year. Funding for districts is based on ANB, which is based
12 on "aggregate hours" per year and must be accurate. "Aggregate hours" means the hours of
13 pupil instruction for which a school course or program is offered or for which a pupil is enrolled.

14
15 For a child to be counted for ANB purposes:

- 16
17 a) The child must meet the definition of pupil as found in § 20-1-101(11), MCA;
18
19 b) Attending 180 to 359 aggregate hours = One-quarter time enrollment
20
21 c) Attending 360 to 539 aggregate hours = One-half time enrollment
22
23 d) Attending 540 to 719 aggregate hours = Three-quarter time enrollment
24
25 e) Attending 720 aggregate hours or more = Full-time enrollment
26

27 A school district may include in its calculation of ANB a pupil who is enrolled in a program
28 providing fewer than the required aggregate hours of pupil instruction required under subsection
29 20-9-311(4)(a) or (4)(b) if the pupil had demonstrated proficiency in the content ordinarily
30 covered by the instruction as determined by the school board using district assessments. The
31 ANB must be converted to an hourly equivalent based on the hours of instruction ordinarily
32 provided for the content over which the student has demonstrated proficiency. 20-9-311(4)(d).
33

34 Homebound Students

35
36 Students who are receiving instructional services, who were in the education program and, due to
37 medical reasons certified by a medical doctor, are unable to be present for pupil instruction, may
38 be counted as enrolled for ANB purposes, if the student:

- 39
40 a) Is enrolled and is currently receiving organized and supervised pupil instruction;
41
42 b) Is in a home or facility which does not offer a regular educational program; and
43
44 c) Has instructional costs during the absence, which are financed by the District's general
45 fund.
46

If a homebound student does not meet the criteria set forth above, the District may request a variance through the Office of Public Instruction, for consideration of the student in the enrollment count for ANB purposes beyond the tenth (10th) day of absence.

Attendance Accounting

Days present and absent for every student are to be recorded in each building, for the purpose of informing parents of a student's attendance record.

On the first (1st) Monday in October and the first (1st) Monday in February, the number of all enrolled students (whether present or absent) by grade level and class will be recorded on the forms provided by the District. Special education children who are enrolled in special programs sixteen (16) hours or more a week will be listed separately. The Director of Special Education should be contacted to verify this count. Monthly student counts of enrolled children by grade and classroom will be provided by the office.
