If you do not have internet access, there is a phone number provided on the Art to Remember order forms that you can use to call and place your orders, as well!

Art to Remember Order Forms

By Friday, you should be receiving a personalized order form that your student has taken home with them. This order form provides you with examples of your child's artwork that they completed for Art to Remember, along with an Online Order Code in the bottom right-hand corner. If you go to the Art to Remember website (see left), there is a button you can click towards the top of the web page that says "Enter Order Code". When you put the code found on your order form into the provided box, you will then be able to order a variety of items with your child's artwork printed on it! All orders must be completed by October 22nd in order for your items to be shipped for free to your child's school. Thank you for all of your support!
