

Metrics for school return					District Wide Data		
					Current Positives	Current Quarantines	
1. Points are awarded for Warren County positive cases per 100K and Test Positivity.					10/8/2021	10	20
2. Combination of those two metrics point values will determine school "status".							2.04%
3. A "new" status in 1 week triggers an "alert" message to the District metrics committee							
4. A "new" status for 2 consecutive weeks triggers the following:							
A. Also will look at Knox, Mercer, Henderson County same data for "regional" trend							
B. Recommendation from that committee will be considered							
C. The committee will work to develop an objective set of internal data driven conditions that would necessitate change in concert with community based data..							
					Total Point Structures		
	Positives per 100K	Points Associated		Test Positivity %	Points Associated	"Status"	
	0-120	1		0-5	1	0-7	In Person Learning
	121-240	2		6-8	2	8-11	Consider change in Mitigation Level Standards
	241-360	3		9-12	3	12	Full Remote
	361-480	4		13-16	4		
	480-600	5		17-20	5		
	600+	6		20+	6
