Good evening All,

Due to this unforeseen pandemic we as a nation has had to face. I have decided to not return to my position as a cafeteria aide with Richmond Heights Schools. My decision has been solely based on the fact that I have underlying health conditions. This decision was hard for me to make but I had to do what's best for me at this time.

However, I thank you all for giving me the opportunity to work alongside such a wonderful, family oriented staff as well as students.

Any questions or concerns please feel free to contact me via Email or phone listed below.

Blessings to you all and thank you again.

Sincerely,

Deborah Davis
