OFFICIAL PRESS RELEASE

Friday, October 8, 2021

**FOR IMMEDIATE RELEASE:
Regarding GKHS Student, Elaine Lin**

On Wednesday, October 20, 2021 at 10AM, Genoa-Kingston High School will be hosting a short celebration to recognize Elaine Lin, a current senior. Elaine was recognized as a Commended Student by the National Merit Scholarship Corporation. Every year millions of high school students take the National Merit Scholarship Qualifying Test. Roughly 55,000 high schoolers are looked at by the National Merit Scholarship Corporation for how they perform on the test. Of those 55,000, roughly 34,000 students are recognized as Commended Students for their scores. Elaine is one of the best and brightest students in the state of Illinois. We at GKHS are very proud of her accomplishments not only on the NMSQT, but everything else she is involved in at our school.

You are cordially invited to attend the Genoa-Kingston High School on Wednesday, October 20, 2021 at 10:00 am in the high school library. Refreshments will be served immediately following the presentation.

We are encouraging all local community leaders and organizations including the Daily-Chronicle to attend this momentous recognition celebration.

Mr. Matt Cascio
GKHS Principal
Genoa-Kingston CUSD #424

Preparing students to excel and contribute to their community
