**Team Scores: Boys: 18 pts, 13th place tie
Season Record: 27-37**

**Girls: 32 pts, 10th place tie
Season Record: 27-37**

Comments: This is very large meet with near 20 schools, most of them 3A and 4A. It's always a good test to prepare us for the Regional meet later on. Very strong winds made for very few good times on the track. There were almost no PRs in the running events from any team. But our athletes battle through and competed well. You could tell that some fatigue began to set in. That's to be expected with the workouts we've had the past couple of weeks. I'm proud of how we dug in and found a little more as the meet went on. That will pay off in the coming weeks. We now have 9 days until our next meet which will be the League Meet at Riley County on May 10. We have several events that are in the hunt for League Titles, so it should be an exciting meet.
