not aware of. Mr. Bennett will talk to the company and ask to put delivery off until April break.

2. Mr. Bennett stated that Mr. Beall had already included information regarding Governor's Executive Budget in his presentation this evening.
3. Mr. Bennett referred to the presentation in December by Lilly Golden regarding the SPARK magazine. He stated that they have received a grant in the amount of \$2,500, and we will be matching that with a budget line of \$2,500.
4. Mr. Bennett read a letter from Mrs. Elaine Smith, our Family and Consumer Science teacher, stating she is retiring at the end of the year. RCS shares Mrs. Smith with Stamford, which is her home school, and where she's already given notice about her retirement. As she is not an actual employee of RCS, the board does not need to accept her letter of intent to retire. Mr. Fersch asked Mr. Bennett to write Mrs. Smith a letter thanking her for her time here at Roxbury.
5. On March 16, 2020, there will be a forum at SUNY Oneonta on looking at new graduation requirements. The presentation is being sponsored by the New York State Education Department and the Catskill Area School Study Council. They are asking districts to send a team made up of a school leader, board member, parent, student, and teacher. The Board of Regents and State Education Department are holding regional meetings to help inform the work of their Blue Ribbon Commission. Meeting attendees will have the opportunity to break into smaller groups to discuss and provide feedback to the Department. Mrs. Johnston stated that she would like to go.
6. The BOCES budget hearing will be on March 16th at ONC BOCES. Mr. Bennett stated that he was going to talk to Nick Savin about coming here to give a presentation to the board instead, but several board members said they were willing to go to ONC BOCES on the 16th. The decision will be made at a later time.
7. Brenda Hill, Wendy Sprague and Mr. Bennett attended a workshop on January 30th on the new Cyber-Security Part 121. Mr. Bennett stated that it was a good workshop, with a lot of information ahead of the new requirements that will be put into place in a few years. He shared a
