The [**IRS's Volunteer Income Tax Assistance \(VITA\)**](#) and Tax Counseling for the Elderly (TCE) programs offer free basic tax return preparation to qualified individuals.

The VITA program has operated for over 50 years. VITA sites offer free tax help to people who need assistance in preparing their own tax returns, including:

- People who generally make \$60,000 or less
- Persons with disabilities; and
- Limited English-speaking taxpayers

In addition to VITA, the TCE program offers free tax help, particularly for those who are 60 years of age and older, specializing in questions about pensions and retirement-related issues unique to seniors.

While the IRS manages the VITA and TCE programs, the VITA/TCE sites are operated by IRS partners and staffed by volunteers who want to make a difference in their communities. The IRS-certified volunteers who provide tax counseling are often retired individuals associated with non-profit organizations that receive grants from the IRS.

VITA/TCE services are not only free, they are also a reliable and trusted source for preparing tax returns. All VITA/TCE volunteers who prepare returns must take and pass tax law training that meets or exceeds IRS standards. This training includes maintaining the privacy and confidentiality of all taxpayer information. In addition to requiring volunteers to certify their knowledge of the tax laws, the IRS requires a quality review check for every return prepared at a VITA/TCE site prior to filing. Each filing season, tens of thousands of dedicated VITA/TCE volunteers prepare millions of federal and state returns. They also assist taxpayers with the preparation of thousands of Facilitated Self-Assistance returns.

The [**IRS's Free File Program**](#) is a public-private partnership between the IRS and many tax preparation and filing software industry companies who provide their online tax preparation and filing for free. It provides two ways for taxpayers to prepare and file their federal income tax online for free:

- **Guided Tax Preparation** provides free online tax preparation and filing at an IRS partner site. Our partners deliver this service at no cost to qualifying taxpayers. Taxpayers whose AGI is \$73,000 or less qualify for a free federal tax return.
- **Free File Fillable Forms** are electronic federal tax forms, equivalent to a paper 1040 form. You should know how to prepare your own tax return using form instructions and IRS publications if needed. It provides a free option to taxpayers whose income (AGI) is greater than \$73,000.
