

BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

October 11, 2021

We continue to make progress on our bond program! Here are some updates.

Junior High (7/8 Grade Addition to High School)

- The 7/8 wing is complete, and the staff and students are settling into the wing.
- Almost all the furniture is in place except a few lecterns.
- We are fine-tuning the air conditioning controls.

New Elementary PreK-6 Building & 7/8 Gym

- It's a muddy mess out there right now! Rain has slowed some of the work, but important foundation pieces were in place before most of the rain showed up.
- Foundation work continues.
- Water mains have been run.
- Paving of the west parking lot will start this week.
- Masonry will be starting shortly.
- Watch the construction progress here 24/7:

Athletic Improvements

- Athletic facility planning is ongoing.
- At the football field, we're working on the overall track layout, the berms, increasing access to the stands, and improving access for maintenance.

If you have questions about the bond program, please reach out to Superintendent Rick Frens or Jill VanDyken, Jennifer Gottschalk or Wade Rutkoskie from the Board of Education Facilities Committee at facilities@schoolcraftcs.org.

Thank you for your support of our schools and students! Go Eagles!
