Such appeal is to be filed within five (5) working days after the Association receives an answer from the Superintendent.
2. The Board of Education, no later than its next regular meeting, may hold a hearing on the grievance, review such grievance in Closed Session, or give such other consideration as it shall deem appropriate.
3. Disposition of the grievance by the Board of Education shall be made in writing no later than five (5) working days thereafter. A copy of such disposition shall be furnished to the Association.

D. Level Four

1. If the Association is not satisfied with the disposition of the grievance by the Board of Education or if no disposition has been made within the period above provided, the grievance may be submitted to advisory arbitration before an impartial arbitrator. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding.
2. The fees and expenses of the arbitrator shall be shared equally by the parties.
3. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
4. In cases where the time required to process a grievance through the grievance procedure will cause a disadvantage to the grievant(s), the grievance may be appealed directly to the Board.
5. In the event that a grievance is filed by a bargaining unit member of the Association that is of such a nature that expediency in resolution is imperative or the grievance is of such a nature that a resolution could not be achieved by following the normal procedures, the parties may, by mutual consent, send the grievance directly to the advisory arbitration.

10.3 Terms of Grievance.

- A. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of both parties.
- B. In the event a grievance is filed after May 1, of any year, strict adherence to the time limits may result in hardship to either party, the Board shall process such grievance prior to the end of the school term or within thirty (30) days after the grievance reached Level 4

10.4 Provisional Relief. A party may at any stage of the proceedings provisionally grant in whole or in part the relief requested by the Claimant. Neither a provisional grant of relief, nor the failure to grant such relief, shall be considered as an admission, it being intended only for the purpose of permitting a party to mitigate damages pending a final determination of the claim.

ARTICLE 11

PART-TIME/SHARED-TIME EMPLOYEES

11.1 The Schoolcraft Community Schools Shared-Time Program is a program in which teachers voluntarily reduce their employment to part-time and share a teaching position with another teacher. For example, two teachers may share an elementary classroom, one teaching morning and the other teaching afternoons.

11.2 The following rules and procedures shall apply:

- A. Teacher participation shall be voluntary.
- B. All shared-time staffing assignments as well as the continuation of such assignments shall be subject to the approval of the Principal and Superintendent.
- C. Teachers participating in the Shared-Time Program shall be committed to the Program and shall have the option of returning to a position of equivalent time as held immediately prior to the establishment of the shared-time position, providing a position for which they are qualified is available.
 - 1. If the Shared-Time position is dissolved by the administration, the shared-time teachers will have the same rights as specified in the 3.2 Layoff Procedures of this contract to a full-time position for which they are qualified and certified.
 - 2. If the Shared-time teacher requests to return to a full-time position, they will be given consideration for any vacancy that exists.
- D. Participating teachers shall accrue full seniority during the year and shall advance on the salary schedule as though they were teaching full-time.
- E. As half-time employees, both teachers will be entitled to 10 half-days of sick leave and 2 half-days of personal leave per year. MESSA PAK A will be provided with a 50% co-pay of the insurance premium. If a teacher does not take PAK A, she/he may elect to take MESSA Plan PAK B at no additional cost.
- F. A pair of teachers or an individual teacher may apply for shared-time position.

- G. Teachers desiring to participate in the shared-time staffing program shall submit their requests by April 1, for the following school year. All requests shall be acted upon by the close of the school year.
- H. Exceptions to these guidelines shall be subject to discussion with the teachers involved, the Principal, the Superintendent and the Association.
- I. Teachers who enter into this Shared-Time Teaching Agreement understand that:
 - 1. Communication of attendance requirements for special faculty meetings will be the joint responsibility of the Principal and the shared-time teacher. Required attendance would only occur when the Principal felt it was essential he or she communicate with the entire staff at the same time. If both teachers are not asked to attend a faculty meeting, then the shared-time teacher who is in attendance at the meeting is expected to inform the other teacher of what took place at the meeting.
 - 2. Since most half-days (without students) occur in the afternoon, both teachers will be responsible for splitting the half days with students. In the event that one teacher is required to work a half-day (without students) for required professional development, she/he will be paid for the half-day on a per diem basis.
 - 3. Shared-time teachers are responsible to plan together sufficiently and discuss student problems. It will be up to the principal to determine whether teachers are planning sufficiently together.
 - 4. Any extra-duty assignments performed entirely by one teacher will be reimbursed at the full percent given in Schedule B.
 - 5. All shared-time teachers will be expected to attend all parent-teacher conferences.
