

## Parent Update 10/11

### Reminders:

**Friday October 15th is Day of Caring.** Please have students dress appropriately. There are several grade levels working outdoors (7,8,9,10,11,12)

**Friday October 22 is an early release day.** At the MS/HS, students are dismissed at 11:20.

**Please drive slowly in the school zone.** Some people may not realize it but roughly 1000 feet on either side of the school entryway is a 15 mph zone. We have student walkers and I'd like for us to be extra cognizant of them being on our sidewalks and crossing the street, especially the entryway into the school.

### Upcoming:

**Saturday, October 30th: 12th annual craft fair to support the HDHS Music Program.**

**Wednesday, November 17th: HS Fall Concert**

**Thursday, December 16th: MS Winter Concert**

### New News:

Dan Crocker, 7th grade math teacher, will be out for several weeks. Can't get into details but keeping him in your thoughts and prayers (maybe send a random card) are great gestures of support. Millie Rauch, many of you know her as a parent, will be teaching math to the 7th grade students until Mr. Crocker's return. Please reach out to her at [mrauch@kidsrsu.org](mailto:mrauch@kidsrsu.org) if you have questions regarding your students 7th grade math class. I'm excited to welcome Millie on board as this past week she has

### After School:

Unless students are staying for a specific teacher or are involved in an athletic event of the current season they should not be staying after school. Students who stay after school must have teacher permission and supervision. Please do not hang out after school to shoot around in the gym.

You can expect the pace document each Friday for all students as of October 8th. Please let the main office know if you do not receive the pace doc.

**Athletics this week:**

**Tuesday October 12th**

V Girls Soccer @ Dirigo @ 3:30
