

**ARP-ESSER Application: Part 2 - ARP Act****Introduction/Instructions - Summary & Background**

---

**Summary & Background**

BRADFORD CSD

570401040000

**SUMMARY & BACKGROUND**

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

**ARP-ESSER Application – Part 1:** The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

**ARP-ESSER Application – Part 2:** The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

**Project Period**

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

**Project Number**

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

**Submission Deadline**

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background

---

**APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS**

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Submission Instructions

---

**Submission Instructions**

BRADFORD CSD

570401040000

**Directions for Submitting the Application:**

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

*Office of ESSA-Funded Programs - Rm 320 EB*

*RE: ARP-ESSER Application – Part 2*

*New York State Education Department*

*89 Washington Avenue*

*Albany, NY 12234.*

**Deadline for Submitting the Applications:**

The ARP-ESSER Application – Part 2 is due by August 31, 2021.

**ARP-ESSER LEA Base 90% Allocation - Intent to Apply**

BRADFORD CSD

570401040000

1. **Does the LEA intend to apply for American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding?**

Yes, the LEA intends to apply for Elementary and Secondary School Emergency Relief (ESSER) funding.

2. **Please provide contact information for the LEA Business Official and Board President. Please confirm that each individual has reviewed and approved of the application, including all plan descriptions and use of funds.**

	Name	Email Address	Date of Final Review/ Approval
LEA Business Official	Ms. Lisa Kuhnel	lkuhnel@gstboces.org	August 26, 2021
LEA Board President	Ms. Jo Miller	jmillier@bradfordcsd.org	August 26, 2021

**ARP-ESSER Allocation - Construction-Related Costs**

3. **Does the LEA intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding for construction-related expenditures?**

No, the LEA does not intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) funding for construction-related expenditures.

**ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination**

BRADFORD CSD

570401040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

**NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.**

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

- 1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

The district Superintendent convened a committee in the spring of 2021 to begin planning for the use of ARP funds. The committee, comprised of the building principal, school business official, staff, parents, and Board of Education members, reviewed student/district needs as assessed through surveys and other sources of data. The committee collaborated to develop an outline of how the funds might be used to address these needs. Background information on the ARP ESSER stimulus funds including the allocation amount, the purpose of the funds, and the grant's requirements as well as the outlined draft proposal were then posted to the Bradford CSD website--which the school and wider communities have accessed throughout the pandemic to keep informed of updates and news. The district requested feedback on the proposal through an online form, easily opened by clicking on the website link, providing stakeholders with ample time to respond. The final plan as presented in this application reflects the input received from stakeholders, both within the school and community. As the plan is implemented, district stakeholders will participate on data teams that evaluate the success of the planned interventions and adjust for ongoing improvement. Public stakeholders will continue to be engaged as the plan is implemented. Updates will be provided on the plan's progress at Board meetings, and there will be opportunities to deliver input to the Superintendent and other district administrators throughout the program period.

- 2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

Upon request, the district will provide a print copy of the ARP ESSER plan.

**ARP-ESSER Application: Part 2 - ARP Act****LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

---

**ARP-ESSER LEA Base 90% Allocation - Program Information**

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

The Bradford CSD remained open for in-person learning throughout 2020-2021, apart from sporadic class quarantines, and consistently adhered to updated CDC guidance as it was released throughout the year. In 2021-2022, the district will continue to implement updated CDC guidelines, including those pertaining to mask-wearing, social distancing, and sanitizing of school spaces. The district has expended general fund monies to buy masks, barriers, and sanitizing supplies, and to pay for additional cleaning costs. The district has chosen to support these mitigation and prevention strategies through the general fund to increase the speed with which it can access funds to respond to student and staff need as well as changes in CDC protocols.

4. **In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

The district will increase its capacity to deliver evidence-based interventions to elementary students through the hiring of an additional interventionist (Academic Intervention Services) teacher. This teacher will increase the district's ability to provide supplemental instruction to students during the day that are not meeting grade level benchmarks. The AIS teacher will work with students individually in the classroom and in separate small group settings to differentiate and scaffold instruction. All interventions will be aligned to student performance data and monitored using evidence-based tools. The data team will triangulate data from a variety of sources to identify student needs and to monitor their progress. In K to g8, the need for and effectiveness of interventions will be evaluated through the following: iReady diagnostic, growth monitoring instruments, and standards mastery assessments; curriculum aligned formative assessments; teacher observations; and state assessments. In grades 9-12, student needs and progress will be evaluated through the use of grade 8 state assessment scores; Regents scores; formative assessments tied to curriculum; quarterly grades; attendance; and teacher observations.

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

The district will increase its capacity to deliver evidence-based interventions to elementary students through the hiring of an additional interventionist (Academic Intervention Services) teacher. This teacher will increase the district's ability to provide supplemental instruction to students during the day that are not meeting grade level benchmarks. The AIS teacher will work with students individually in the classroom and in separate small group settings to differentiate and scaffold instruction. All interventions will be aligned to student performance data and monitored using evidence-based tools.

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

Bradford CSD is committed to maintaining essential services for all of its students. In addition to hiring an additional AIS teacher to support students' continued academic growth, the district will use the remaining ARP ESSER funds to retain staff in the following positions:

- Band teacher to increase students' access to well-rounded education;
- Guidance counselor to support the growth of students' self-management skills and learning strategies; provide college and career guidance; and work with students to develop and implement action plans that will help them achieve their academic and career goals;
- Social worker to support development of students' social-emotional skills and facilitate access to school and community resources for district families; and
- School Resource Officer to continue to support students' decision-making and conflict resolution skills, monitor the health and safety of students, and deliver consistent messaging about safe practices in and out of school.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

In 2020-2021, to comply with social distancing requirements while maintaining in-person instruction for all students, the AIS teachers were moved into the classrooms to teach. This necessary change strained the capacity of the district to provide academic intervention to high-need students with the same intensity and frequency as in previous years. Additionally, the restricted access to the internet experienced by some of Bradford's rural families increased students' isolation and learning loss during the initial closure and subsequent periods of quarantine in 2020-2021. All components of Bradford CSD's ARP plan have been designed to provide the maximum support to each student that was disproportionately affected by the pandemic impact of lost learning time and isolation, including those from low-income families and students with disabilities. Critical staff positions such as the Guidance Counselor and Social Worker have been retained and an additional AIS position has been added to ensure that **all** students' academic, social, emotional, and mental health needs are fully met, including those in the subgroups listed above (students of color, English Learners, students experiencing homelessness, children in foster care, and migratory students) that are not currently served but may enroll in future.

**ARP-ESSER Application: Part 2 - ARP Act****LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction**

---

**ARP-ESSER Return to In-Person Instruction**

BRADFORD CSD

570401040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).**

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

[https://docs.google.com/document/d/1p2sHg1-iMBh4K\\_uWuHgpFx6gBiHEpBB/preview](https://docs.google.com/document/d/1p2sHg1-iMBh4K_uWuHgpFx6gBiHEpBB/preview)

Upon request, the district will provide a print copy of the board-approved re-opening plan.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

**In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.**

Bradford CSD will review its re-opening plan a minimum of twice per year with more reviews scheduled as the need arises due to updated CDC guidance or a change in the infection rates of Steuben County in which the district is located. To ensure that the public, in particular the families of students attending Bradford Central School, have input on the design of the plan, the district will schedule and publicize Q&A sessions at Board of Education meetings every six months. All comments from the public will be collected and considered by the Board of Education, and those suggestions aligned to the CDC guidance and NYS Education Law and posing no risk to other members of the school community will be reviewed for integration into revised versions of the plan.
