RE: PRACTICE LOCKDOWN DRILL

To Farmington Central CUSD #265 Families:

Thank you for choosing Farmington Central CUSD #265 to provide educational services to your child. Safety is a top priority and we continually strive to provide a safe environment. In order to maintain a safe environment, it is necessary that we practice our emergency and crisis response plans by having drills.

On October 15th, 2021, Farmington Central CUSD #265 will practice a lockdown drill between 9:30am - 10:30am. This drill fulfills a state mandate and secures the school building and safely shelters all students, staff, and visitors in case of an emergency. The drill is conducted with the Peoria County police department and local law enforcement.

If you foresee any issues with your child participating in the drill, please contact your building principal.

Sincerely,

Dennis McMillin

Principal

Farmington Central High School
