EXCEPTIONAL EDUCATIONAL EXPERIENCES FOR
EVERYONE EVERY DAY

Parent and Family Engagement

- Parent and families play an integral role in assisting their child's learning.
- Parent and families are encouraged to be actively involved in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- Parents and families have two-way meaningful communication involving student academic learning and other school activities.

Parent Involvement Opportunities

Good Hope Primary PTO believes in parent communication and fosters support for families. Parents have multiple opportunities to be involved throughout the year as follows: Open House, Kindergarten Registration, Pre-K family involvement and meetings, Harvest Carnival, PTO meetings, parent connection meetings, school plays and awards days, Tiny Tribes, and career day. Please follow Good Hope Primary School on Facebook, Instagram, Twitter, the CCBOE app and the website. A principal weekly newsletter is also a means of communicating with stakeholders throughout the community.

Parent Connection connects to families reaching beyond barriers of culture, language, disabilities, and poverty.

Guest speakers, training, materials, and resources will be available at the Parent Connection meetings. Turnaround trainings will be held at local schools. Videos will be available on the CCBOE website.
