Dear members of the Cape Elizabeth school community,

It has recently been brought to our attention that a candidate for School Board has placed our Cape School District and Athletics “CE” logo on a number of campaign signs. We have fielded questions from community members about whether the school district approved this use of our logo, and whether we are endorsing this candidate (which several people believed to be the case given the use of our logo on the signs).

We are issuing this notice to clarify that the school district has not approved this use of our “CE” logo – which has been a distinctive trademark for our school district, athletics, and other programs for many years – and has not endorsed this candidate. It has been, and remains, Cape Elizabeth School Department policy not to endorse any political candidates.

Thank you,
Chris Record, Ph.D.
