For inclement weather, please call the Career Center regarding cancellation or delay of classes at 573-547-7500 ext. 341.

### **Automotive Refinish & Panel Identification**

This class will familiarize you with automotive painting and vehicle design. You personally will have the chance to paint something. Additionally, you will be introduced to the proper terminologies associated with your vehicle design and component identification, as well as basic shop safety. All basic materials associated with this class are provided (any additional materials you want are available at cost.)

Dates: September 13, 15, 20, 22, 27, 29  
October 4, 6  
Time: 6:30 – 8:00 p.m.  
Place: Career Center Room 11  
Fee: \$80.00  
Instructor: Mr. Carl Burr

### **Cooking Healthy Meals in 30 Minutes**

This class is for the person who would like to learn to cook healthy meals that also taste good and will only take 30 minutes. Great class for the “on the run” family.

Dates: September 6, 13, 20, 27  
Time: 6:00 – 8:00 p.m.  
Place: PHS Family & Consumer  
Science Room 201  
Fee: \$50.00  
Instructor: Mrs. Kim Shultz

### **Digital Photography**

An introduction to digital photography where you will learn the basics of how to operate the digital camera, set-up photo opportunities and much, much more. A rare opportunity for photography enthusiasts. Bring your digital camera along with your owner’s manual.

Dates: September 8, 15, 22, 29  
October 6, 13  
Time: 6:30 – 8:00 p.m.  
Place: Career Center  
Multipurpose Room  
Fee: \$35.00  
Instructor: Mr. John LaRose

### **Mixed Media Exploration**

Come join us and explore the world of art. We will complete 2-3 projects over the course of 10 weeks and will use a variety of art mediums and techniques. This course is perfect for all levels of skill and experience and will accommodate learners from beginners to advanced. Contact email for additional information: [bcomstock@pcsd32.com](mailto:bcomstock@pcsd32.com)

Dates: September 8, 15, 22, 29  
October 6, 13, 27  
November 3, 10, 17  
Time: 6:00 – 8:00 p.m.  
Place: Room 109 Vocational building  
behind Old Senior High School  
Fee: \$35.00  
Instructor: Mrs. Bettina Comstock

### **Welding - Beginning or Advanced**

Whether you are a beginner or an experienced welder, this course will help you improve your skills and learn new techniques. We will provide training that fits your personal needs. Topics include oxyacetylene cutting and welding, brazing, gas metal arc welding (MIG), gas tungsten arc welding (TIG), plasma cutting and standard welding positions. Personal projects are encouraged...you can make this class pay for itself!

Dates: September 13, 20, 27  
October 4, 11, 18, 25  
November 1, 8, 15  
Time: 6:00 – 9:00 p.m.  
Place: Career Center Room 14  
Fee: \$140.00  
Instructor: Mr. Chris Tripp
