

SCHOOL DISTRICT OF ATHENS
ACADEMIC HONESTY

#443.9

Adopted: 4/14/08 Revised: 5/18/15

The School District of Athens desires to maintain an educational environment which promotes and supports honesty and integrity. The District believes that positive attitude and character on the part of both staff and student enhances a learning atmosphere which is conducive the development of valued and valuable future citizens for our community, state, and country. To that end, the District will utilize the associated rules to define, maintain guidelines, and establish consequences related to academic honesty.
