

SCHOOL DISTRICT OF ATHENS
PUBLIC SOLICITATION ON SCHOOL PREMISES

#850

Adopted: 3/21/16

All collections, drives, fund-raising activities, or other solicitations conducted by booster and/or parent organizations on school premises must be approved by the Building Principal. Booster and/or parent organizations may solicit funds on school premises only for the purpose of furthering the groups' activities or meeting students' needs or for charitable purposes.

All non-school related charitable organizations or agencies wishing to hold collections, drives, fund-raising activities or other solicitations on school premises must submit written requests for approval to the District Administrator. However, the District accepts no liability for nor endorses any fund raising activity.

Other collections, drives, fund-raising activities or solicitations may be conducted on school premises or in the name of the District or any individual school or department only with the knowledge and approval of the District Administrator.
