Dear Parents and Guardians,

Here at FLES we are all about Every Student Every Day! We work hard to highlight our students daily, weekly, and monthly. One way we do this is by holding awards ceremonies after every quarter or nine weeks. We are excited to announce we will hold these in person in the high school cafeteria the first week of November according to the schedule listed below. We will also do this through Google Meet and record it, so if you are unable to attend you can join live or watch the recording later.

Since we are doing Standards Based Report cards for all grades, every student may not receive an award every nine weeks. It is important for us to teach our students that we highly value progress and growth, but also celebrate others' achievements. Not everyone may receive an award every time. Your child's teacher will be reaching out to you prior to the awards ceremony if your child is receiving an award. Below are the awards that will be given at the ceremony.

Excellence in Academics - students scoring 3's and 4's in every standard

Perfect Attendance - students not missing any days during the first nine weeks, this includes excused, unexcused absences, medical, and tardies. They have to have zero absences or tardies to get this award.

Choose Love - students nominated by their teacher for choosing love and having a heart for others.

Specialty Superstar - students nominated for displaying excellent character and effort in specialty classes: art, PE, music, ect...

Classroom awards - various awards teaching teams have decided are appropriate for their grade
