October 1, 2021

Dear Bluff Elementary School Parents, Guardians, Students, and Staff:

This letter is to communicate that we have identified one positive case of COVID-19 located at our school and the student has been excluded from the school community until they meet the criteria for discontinuation of isolation. Per standard protocol, please follow the recommendations as outlined by the NH Department of Health and Human Services (DHHS). Please self-monitor for [symptoms](#) for the next 14 days.

The recommendations may be found here: [self-observation guidelines](#).

I have included the following documents for you to reference regarding quarantining, self-observation, and isolation

- [Self-Observation Guide for People Exposed to COVID-19 Who Are Not Required to Quarantine](#)
- [Quarantine Guide for Unvaccinated People Exposed to COVID-19 in their Household](#)
- [Isolation Guide for People Who Have COVID-19](#)

If you have any questions or concerns, please contact our nurse Roni Januszewski via email at vjanuszewski@sau6.org or your school nurse Deb Spencer via email at dspencer@sau6.org

Thank you for your continued efforts in keeping our schools and community safe during these times. We will continue to mask, social distance, and sanitize as directed by our [Matrix](#). Our top priority is to keep our students happy, safe, and in school. Please remember to complete the home screening tool daily, and if you're not feeling well, please stay home.

Sincerely,

Christine Baker

Christine Baker, Principal
