6.0 SUPERINTENDENTS' REPORTS/PRESENTATIONS

6.1 ANNOUNCEMENTS/COMMUNICATIONS

Dr. Oldenburg wanted to recognize a successful start to the school year under trying and challenging times. Staff and students have done an excellent job in turning over the buildings and to deliver a fully operation program. Very grateful throughout the summer and opening weeks of school. The Tona2020 Capital project has a lot happening, a lot of physical change that seems unbelievable that it's going to take two more years to get done. The contractors continue to make progress, continue to stay on schedule and budget, really moving ahead. Advisable at the end of the school year if there wants to be a change in the name for Fletcher to start discussing it now. There will need to be a Resolution from the board in the upcoming months. The name change does have to be done by legal counsel, but wants to start working on branding and all the things that have the potential for the new name. Can discuss tonight or in the future. But by the December meeting it should be talked about.

Ron Wasik said that the Tona2020 project was covered.

Donna Hill had nothing to report.

Sarah Infante had nothing to report.

Jessi Donner reported that they are revising the technology plan which is due in November. The board will be seeing that coming soon. Dr. Oldenburg reported that Assemblyman Conrad donated money that will be dispersed to replace and increase chromebook use. That aid will be coming soon, and there will be a press conference to discuss in October.

Mary Beth Scullion had nothing to report

Amy Edgerton had nothing to report.
