Re: Safety Bus

With great sadness, I am making the recommendation that we list our safety bus on Auctions International. While the safety bus has proven to be a very effective tool to teach school bus safety, it has sadly reached the end of its safe, useful life. The safety bus is currently experiencing the following issues that we are aware of:

- ❖ Entrance door and side emergency exit door have deteriorated beyond repair.
- ❖ The engine is beginning to lose compression and produces smoke.
- ❖ The undercarriage of the vehicle is showing significant signs of deterioration due to its age.
- ❖ Parts are no longer available for the District to make any necessary repairs.

It was with great pride that we had our District name on the side of the safety bus that traveled all over central New York teaching students how to safely evacuate a school bus in the event of an emergency. Many students and community members were afforded an opportunity that most will never experience until they are put into a situation out of their control. Thank you to Mr. Premo and the Board of Education for supporting our school bus safety program for many years.

Sincerely,

Andrew Krokowski,
Transportation Supervisor

Mr. Premo

South Lewis Board of Education

Dear Mr. Premo and The Board of Education,

Please include the following request on the agenda for the South Lewis Board of Education Meeting, on Tuesday, September 21st. The South Lewis 5th/6th and 7th/8th Grade Bands request the permission to attend the Darien Lake Music Festival, at Darien Lake Theme Park, in Darien, NY on the 3rd day of June, 2022. The Band requests the use of two South Lewis School Busses, and the small van (as was used in 2019) for transportation.

A tentative Itinerary would follow as such (times to be determined later)

Early Morning: Depart South Lewis for Darien Lake

Morning: Arrival at Darien Lake.

Performance for judges will be whenever they assign us within the schedule.

Students will attend the picnic lunch at the time it opens (specific time depends on our performance time assignment).

Leave Darien lake sometime after 5:30 (which is after the awards ceremony ends) Dinner/Bathroom Stop at a service area on The Thruway.

Evening: Arrive back at South Lewis.

**This festival is "all at the park", and we will adhere to any outdoor park distancing situation/mandate that is present by the 3rd of June. If there are any questions, I will be attending the meeting and feel free to ask me. Thank you.

Sincerely,

Mr. Michael Muller

Dear Doug:

I am requesting that two of our indoor track students, Jayden Kerfien and Emma Memery, both 9th graders, be allowed to practice and participate in meets under the supervision of your coach, Mr. Jack Bernard. Both students will wear an Adirondack jersey and will also be responsible for their own transportation to and from the practices and meets. Our Board of Education gave approval at their Board meeting held last night, October 12, 2021.

I appreciate your consideration of this request and look forward to you and your Board of Education's approval.

Sincerely,

Kristy w. McGrath
