FAMILY AND COMMUNITY ENGAGEMENT

"Simply put, parent involvement is often more of a "doing to," while engagement is a "doing with."
 With involvements, schools tend to lead with their mouth- generally telling parents what they should be doing. Engagement, on the other hand, has schools leading with their ears."

-from "Classroom Q&A" in Education Week Teacher

WHY TAKE THE ACT TEST?

1

EXPAND YOUR OPTIONS

Taking the ACT test can help you on your way to your dream school. Plus, the ACT offers you the opportunity to be identified and recruited by colleges.

2

PAY FOR COLLEGE

Students with an ACT score qualify for more scholarships because many colleges require scores for merit-based awards. Without one, you could miss out on thousands of dollars.

3

PLAN YOUR FUTURE

ACT scores do more than get you into college. Your results include a college and career planning section that directs you toward the best path to success.

4

STAND OUT

ACT scores can help you stand out in a crowded field of applicants with similar high school grades.

5

SECURE A SUPERSCORE

When you take the ACT more than once, you can average your best section scores for an ACT Superscore.

FEE WAIVERS

Ask your counselor if you qualify for a fee waiver to take the ACT test for free. Fee waivers cover the basic registration and late fees for up to 4 national tests and provide free access to The Official ACT® Self-Paced Course, Powered by Kaplan®.
