## Apply for a Scholarship:

- After taking the Eligibility Quiz, you should see a list of scholarships available. Click **Apply** on the right-hand side of the scholarship listed to start the process.
  - Scholarships open and close at different times. Only those scholarships currently open for accepting applications will be listed when you first create your account. After an account is created, you can click on the APPLY button at the top of the dashboard to see if any new scholarship opportunities have become available to apply.

## Applicant Dashboard

- Example of result for clicking Apply when applicant is eligible for applying for more than one scholarship:

- Answer all questions and upload any documentation requested. Note that there are file type and size limitations for uploads.
- If Letters of Recommendation or academic performance validation are required, there will be a section labeled **“Reference Letter”** or something similar. Enter a valid **email address** for your reference or required validation and then click **Compose Email**.
  - The reference or third-party validator will receive an email with a link to complete the letter of reference or validation online. As an applicant, you will not be able to see the letter of reference or validation, but you will be able to see whether or not a response has been submitted.
  - If GNWKCF does not receive a letter of reference in a timely manner from the individual, we will reach out to the Applicant to request a different reference.
  - Repeat this process for each Reference Letter or Information Validation that is required (some applications require multiple letters).
- **Electronic Signatures** are entered to indicate you agree that the information provided is true and correct. You will also be required to enter a parent or guardian’s name. When entering their name, you are indicating that they are aware you are applying for this application and approve you in doing so.
- Click **Submit Application**
- Click **Continue** to return to the Dashboard.

## Scholarship Portal Dashboard:

- After submitting your application, be sure to note your username / password and the scholarship portal link.
- You can check to see if your references have completed the letters of request (if applicable)

  1. Sign the online Acceptance Letter.
  2. Provide your first semester schedule (required) and a copy of your college acceptance letter (optional).
- If the scholarship is for more than one semester, you will need to return to the scholarship portal **at the end of each semester** to provide the following:
  1. Copy of college transcript showing cumulative GPA at the end of the current semester.
  2. Copy of your upcoming semester class schedule.
- Once your scholarship has been completed in full, you will no longer need to check the Dashboard.
