

Mission Statement: Bishop Elementary School provides a safe, joyous experience that cultivates respect, responsibility, and lifelong learning in every child.

LCAP GOAL 1: *Prepare students with the necessary skills to excel in college and career.* **6.4.1**

LCAP Action/Service 2017-18	What is Bishop Elementary doing?
Student use of technology shall be increasingly evident in classrooms as evidenced by formal and informal observation.	<p>3rd-5th grade students are getting plenty of screen time this week and next. We just finished the CAT version of the ELA test and will move on to the Performance Task. The week of May 14th we will test in math and science (5th grade only).</p> <p>We are trying to gather input from teachers on how to best utilize our computer lab tech with the position being cut to 3.5 hours next year. Only grades K-2 will be visiting the lab on a weekly basis. Teachers of students in grades 3-5 will be invited to visit on their time should they need to use it.</p>
Research and plan for expansion of AVID across all grade levels.	The admin team met with Michel Kelly via conference call at our May admin meeting. Our goal was to align our PD sessions for August and possibly November. It sounds as though our August PD day will be focused on incorporating WICOR into each classroom.

LCAP GOAL 2: *Increase the quality of instruction for all students by deepening implementation of CCSS, and by implementing EDI district-wide.*

LCAP Action/Service 2017-18	What is Bishop Elementary doing?
Begin review of Social Studies and Science curriculum resources that are aligned with standards.	Our committee has a formal recommendation: McGraw Hill: Impact. We are currently on hold from purchasing materials pending the May revision on the budget.
Explicit Direct Instruction- Year two.	We are still monitoring for use of EDI strategies and will continue to recommend using these engagement strategies moving forward.
Monitor EDI implementation in classrooms.	Ongoing through formal and informal observations/walkthroughs.

Mission Statement: Bishop Elementary School provides a safe, joyous experience that cultivates respect, responsibility, and lifelong learning in every child.

LCAP GOAL 3: *Ensure all student populations achieve annual measurable academic growth by providing targeted additional support in literacy and math.*

LCAP Action/Service 2017-18	What is Bishop Elementary doing?
Continue to provide small group instructional support in ELA and math. After school programs for bilingual support.	Bishop Elementary and ICSOS were awarded that MTSS grant that we jointly applied for for aligning our tiered system of student supports over the next two years.
Teachers use formative data in PLCs to provide timely remediation.	We are already beginning our trimester 3 assessments. These assessments will help determine those that may benefit from EL summer school and Title I supports next year.
Offer extended day opportunities for all students in grades 3-12.	<p>Our enrichment activities are already winding down. The Maker Lab and the Cooking Class went really well. Pics below courtesy of Steve Holland (Maker Lab).</p>

<p>ELD summer program for EL students.</p>	<p>We will move forward with EL summer school this year. We will identify students that should participate through our last trimester assessments.</p>

LCAP GOAL 4: *Increase students' perceptions of feeling safe, healthy, and connected at school.*

LCAP Action/Service 2017-18	What is Bishop Elementary doing?
<p>Revitalize PBIS through increased attention and focus.</p>	<p>We are using everything we have to use this time of year! Maintaining consistency and positivity is crucial!</p>
<p>Support peer and adult programs and activities for students that encourage positive school relationships and healthy choices.</p>	<p>Every adult at our school and each organization in which we partner are working tirelessly to end this year on a positive note. At this time of year, behavior incidents increase and people are generally less patient or tolerant. We are bringing out all the tools and tricks to keep</p>

	everyone on the right track and keep the school day a positive and meaningful experience.
Provide student recognition programs to encourage and reward positive attributes.	<p>We are coming up on our final student of the month ceremony for the year.</p> <p>We will have a closing ceremony on the last day of school where we will honor and "promote" all 5th graders onto Home Street Middle School.</p> <p>Our annual "Talent Show" is coming up on Friday, May 11th.</p> <p>Seniors will participate in the traditional "walkthrough in cap and gown on Friday, May 11.</p>

MISCELLANEOUS: *A few other things you should know about!*

Class Creator software- After many, many years of paper/pencil, excel spreadsheets and more recently a google sort, we have found and purchased a class creating software. We are hoping this will make creating classes just a little bit easier and maintain a balance of students. Parent requests still make creating classes very difficult.
