

BIE – BOARD MEMBER INDEMNIFICATION

Category Recommended – While these policies are not required by law, they are highly recommended for effective school board operations.

The members of the Winchester School Board and its employees and agents act as agents of the District. None of these individuals should be placed in a position of personal liability for the performance of the responsibilities vested in them by the voters of the District and the state and federal governments.

In order to protect the individual members of the Board, its employees and other agents, and the educational interest of the community, the Board will purchase, from public school funds, in the absence of governmental immunity or in coordination with governmental immunity, adequate insurance to indemnify Board members and agents of the District for their official actions in the service of the School District.

Nothing herein, however, shall be construed as obligating the Board to defend, indemnify, or hold harmless any person who violates the oath of office, or otherwise engages in criminal activity, official misconduct, fraud, intentional or willful and wanton misconduct, or acts beyond the authority properly vested in the individual.
