USD 224 Clifton-Clyde

Eagle Express

It is the mission of USD 224 to provide a positive learning experience for all students to achieve their highest potential as productive members of a global society.

News from the Superintendent!

Dear Patrons,

It's a crazy time of year for all involved. Tons of senior activities locally and around the area. Lots of end of the year trips to fun and educational places. Track meets where our students are fiercely competing... you get the idea. Through the midst of all of the chaos take time to appreciate what's all happening because it goes quickly.

This year Clifton-Clyde High School will graduate 14 seniors. This is by far our smallest class in the district, but don't let their small size fool you. They are a great group of students that work very hard to do their best for themselves, their school, and their community. Mrs. Knox hosted the Senior Awards night on Tuesday, May 5. At that night our 14 students were awarded \$28,000 in local scholarships! We can't thank the local communities enough for their support. Also, overall our 14 students were offered right at \$141,000 in scholarship opportunities. That's an amazing number for such a small group and everyone should be very proud of them.

USD 224 has a busy summer lined up. We are having security systems installed at all 3 locations. When you come to the buildings beginning in August you'll have to be 'buzzed' in to get into the front door and all doors will be locked. Additionally, the stage at the middle school will be getting a new look as it's being refinished, a wall in the middle school science room is being replaced because of it's deterioration from water and past termite damage, the grade school gym is getting completely new floor (replacing the *original* tile floor), there will be some interior work done at the grade and middle schools to create offices for the student support worker, and a myriad of other projects to be done.

We have worked very hard this year, as always, to make sure we find great teachers to replace the great ones that we are losing. This year again I feel we've been able to do that and we're excited to announce that we've filled all open certified positions for the next school year. In a later edition I will highlight these people a little more, but here are the names of the new teachers for next year:

-4 th Grade Teacher- Jessica Wietharn	-224 Band/Music- Keon Jackson
-CCHS Social Studies- Nick Junker	-CCHS Business- Anna Gerber
- GS/MS Student Support Worker- Brooklyn Richards	

Lastly, it's hard to believe another year has almost come and gone. We have had a great year with many students accomplishing many great things because of the hard work and dedication by them, the school staff, the parents, and the community. It takes all of us working together to create a great school experience for our students. Thank you all for your support.

If you have any questions please feel free to contact me at anytime.

Sincerely, Art Baker

SENIOR CLASS COMMUNITY SERVICE

Thanks to our senior class for their community service project of painting the interior of the Clyde Pool bathhouse on April 27. They all had a great time and did an awesome job.

Clifton-Clyde Sharpshooter team is in the midst of their competition season and we have many kids that are shooting well. If you'd like to watch our kids compete all competitions are held at the Clifton American Legion. The remaining dates of competitions are as follows:

May 14, 16, 20, 23

Competitions began at 5:15pm

CCMS TRACK BREAKS RECORDS

Tanner Mead (7th) - 3200M run - 12:42

Kloe Robbins (7th) - 3200M run - 15:19.80

Shea Wurtz (6th) - High Jump - 4'10"

800 Medley (8th) - Jayden Christianson, James Nobert, Colton Czapanskiy, Riley Robbins - 1:51.32

Riley Robbins (8th) - 400M - 56:02

Congrats to Clifton-Clyde High School's Mrs. Sam Reith on receiving Kansas FCCLA, District C, advisor of the year! Mrs. Reith was recognized at the FCCLA State Conference on April 13th.

Clifton-Clyde Seniors Return to their Roots

Even though graduation isn't until May 13th the 2018 seniors took time on their last day to revisit their roots. They donned their caps and gowns and walked the halls of the grade and middle schools while receiving high fives from the younger students as they went. This is a great tradition that shows the younger grades what they can accomplish and also reconnects some teachers with their former students and vice-versa.

CCGS Second Graders Host Performances

Second graders hosted parents and community members for 3 different performances on April 24. They did such an awesome job that day they were invited to perform at the May 7 board meeting and were great then too.

CCHS Student Council Collects Clothing

CCHS Student Council did their first ever "Spring Cleaning" clothing drive. On May 5th the students pictured, along with Mrs. Knox, took a suburban FULL of donated clothing to Open Door in Wichita. Thank you to the student council for organizing this charity drive.

Congratulations to Jessica Wurtz for once again being selected to the State FFA Band! Her musical talent never ceases to amaze us!

PreK Roundup a HUGE Success

Clifton-Clyde hosted pre-school roundup on May 4. 28 families came to check out the preschool, visit with staff, and provide student information.

If you're interested in our preschool and didn't make it to roundup please contact the middle school.
