

Board of Education Goals

Students:

Ensure all Maryvale students are provided a safe environment with high quality programming and opportunities that will prepare them for life, college, careers and citizenship.

District Employees:

Support a collaborative student-first environment which is focused on data-driven continuous improvement.

Financial Responsibility:

Prioritize and allocate resources effectively to support all goals while maintaining fiscal responsibility and sustainability.

Communication:

Maintain a strong organizational and community-based structure which promotes an environment where open communication is valued and sought after.
