

Tri-Valley School District 49-6

Policy DE: Revenues from Tax Sources

In an attempt to provide the best education possible within the financial resources available, the Board will:

1. Request adequate local funds for the operation of the school district. The amount of the financial support requested will yield sufficient revenue for the total expenses of the school district.
2. Accept all available state funds to which the district is entitled by law or through state regulations.
3. Accept all federal funds that are available providing there is a specific need for them and matching funds that are required are available.
