

Tri-Valley School District 49-6

Policy IIBA: Teacher Aides

In approving the employment of instructional or teacher aides in the schools, the Board believes that their services will permit:

1. Teachers more time to devote to actual instruction.
2. More effective grouping for instructional purposes.
3. Wider use of audio-visual equipment in the classrooms.
4. Greater individualized attention for meeting pupil needs.
5. More effective group instruction.

The use of instructional aides will be individually determined and will require a recommendation from the appropriate school building administrator and approval by the Superintendent. Official appointment to such a paid position will be made by the Board acting upon the recommendation of the Superintendent.

Under no circumstances will instructional aides be given responsibility and duties which are properly and/or legally those of a regularly employed and certificated professional staff member.
