Dear GUSD Family (Students, Staff, Parents and Community),

I am continuing to try to update you all as our board meets, especially in light of any potential changes to the manner in which we deal with the ongoing COVID-19 issue. The GUSD Governing Board met last evening to conduct its twice-per-month regular business meeting. I did not recommend any changes to the GUSD plan for COCI-19 mitigation. The school district saw a slight increase in the numbers of students and staff testing positive for COVID-19 over the past two weeks. The current data, however, did not precipitate any board action to change our current operating procedures.

In response to COVID-19 GUSD will continue to:

- Recommend, but not require face masks.
- Recommend, but not require COVID-19 vaccination for those students and staff that are able to be vaccinated.
- Cooperate with the Gila County Health Department to quarantine procedures whenever recommended.
- Encourage frequent hand-washing, use of hand sanitizer when available, and continued use of air purifiers in classrooms.
- Encourage students and staff to stay home when they are exhibiting signs of illness.

I want to continue to commend our staff for their perseverance through the ongoing issues brought about by COVID-19. Thank you also to our students and their families for working through the COVID-19 scenarios with us. I will continue to try keep you all updated as we move to the end of the first trimester. We at GUSD are committed to continue to try to live up to our vision statement of "Capturing Hearts, Empowering Minds".

"GO TIGERS!"

Jerry Jennex, Superintendent
