

## ***OCTOBER 7, 2021***

### **PRINCIPAL'S CORNER**

It's been a busy couple of weeks here at the Rowe School. We've had the first staff and students take the rapid COVID tests due to their exhibiting some cold or allergy symptoms that could have been something more serious. Rather than take a chance, they were tested at the school, thankfully all were negative, and they were able to get right back to teaching and learning. This is how the system should work, with families being vigilant at home, and Mrs. Brisson and the teaching staff doing the same at school, we're doing our best to keep everyone in both places safe, and keep us learning in-person.

We said adios to Señor Phillipé, he is retiring after five years at Rowe School. Jessica Gibbs-Buursma is our new Spanish teacher, and we know we're in good manos!

Remember, students should be at the school by 8:25am, if they arrive after that it causes problems with breakfast and lunch plans, and with morning routines, so PLEASE try your best to get your students here by then. If you know your student is going to be later than 8:30pm, please call the school and let us know, and let us know the plans for breakfast and lunch.

There is no school Monday, it's Indigenous People's Day. Take time this weekend and learn a little about the Native Americans that lived around here before it was settled by Europeans. The Abenaki and Nipmuc tribes were two examples. I'll include a link to some information in the Principal's Corner section of the school website and the school's Facebook page.

### **CALENDAR OF EVENTS**
