**Extracurricular
Activity Absences**

The District shall make no distinction between absences for UIL activities and absences for other extracurricular activities approved by the Board.

The number of extracurricular activity absences allowed for each student in a school year shall be determined by each student's cumulative grade average in English, mathematics, science, and social studies from the preceding school year.

For the 2021–22 school year, the fall semester cumulative grade average shall be used to determine the number of extracurricular absence days during the spring semester.

A student with a cumulative grade average of 74.49 or below shall be allowed a maximum of 12 extracurricular absences not related to post-district competition. Absences for post-district competition shall be unlimited.

A student with a cumulative grade average of 74.50 to 84.49 shall be allowed a maximum of 15 extracurricular absences not related to post-district competition. Absences for post-district competition shall be unlimited.

A student with a cumulative grade average of 84.50 to 89.49 shall be allowed a maximum of 18 extracurricular absences not related to post-district competition. Absences for post-district competition shall be unlimited.

A student with a cumulative grade average of 89.50 or above shall be allowed an unlimited number of extracurricular absences.

Students may request additional extracurricular absence days from the Superintendent in extraordinary circumstances.

**Use of District
Facilities**

School-sponsored student groups may use District facilities with prior approval of the appropriate administrator. Other student groups may use District facilities in accordance with policy FNAB.
