Request to Decline Transportation Form

Dear Parent/Guardians:

In order to improve transportation service to all students, we are trying to identify those who are not using school bus transportation this coming school year. We are asking all parent/guardians to complete the form below, only if your students(s) **will not be using** school bus transportation this coming year, and return it to our office. If you indicate your student(s) will not be using transportation services, and at some point during the year this changes, please notify us and bus service will be arranged.

This form can be returned by mail, fax or email to lsather@scc.k12.wi.us

Mail to: St. Croix Central Elementary Fax to: (715)749-3130
