2. b) The facts on which the statement is based.
3. c) Information on any discussions, meetings or correspondence with a school regarding the complaint.

- 3) **Investigation** – After receiving the Principal’s response, the Federal Programs Office, along with the Superintendent, will determine whether further investigation is necessary. If necessary, the Federal Programs Director and the Superintendent may do an onsite investigation at the school.
- 4) **Opportunity to Present Evidence** – The Federal Programs Director may provide for the complainant and the Principal to present evidence.
- 5) **Report and Recommended Resolution** – Once the Federal Programs Director has completed the investigation and the taking of evidence, a report will be prepared with a recommendation for resolving the complaint. The report will give the name of the party bringing the complaint, the nature of the complaint, a summary of the investigation, the recommended resolution and the reasons for the recommendation. Copies of the report will be issued to all parties involved. The recommended resolution will become effective upon issuance of the report.
- 6) **Follow up** – The Federal Programs Director and the Superintendent will ensure that the resolution of the complaint is implemented.
- 7) **Time Limit** – The period between the Federal Programs Director receiving the complaint and resolution of the complaint shall not exceed sixty (60) calendar days.
