Newark Families and Staff,

Red Ribbon Week is here! Thank you to PTO for sponsoring the treats this week! Pencils, pop bracelets, ribbons will be coming home as we recognize "Life is Poppin Drug Free!"

Thank you to Lisa Snyder and family for planting hydrangeas at both schools. Can't wait to see the blooms next year!

Schoolmall.com envelopes are due on Monday, October 25th for the prizes. While holiday shopping, please consider going through that website. The school gets rebate checks from purchases. And don't forget about Amazon Smile for Newark - Millbrook PTO cash back.

Please continue Symptom Screenings in TeacherEase by 6:30 am for bus riders and 7:30 am for walkers. COVID19 data is reported below. We will keep reporting the data throughout the year.

Weather pending - NGS is planning an outside Halloween Costume Parade at 1:45 on Friday, October 29th. Check your classroom newsletters!

Thank you to all who attended conferences! Some of you may have received permission slips for social work groups this week. We just wanted to start social groups with kids in the same grade levels as peer support and strategies to teach them for different school and social situations. It is in no way mandatory. If you are not comfortable, you can send the form back saying no. We are doing second step lessons in the classrooms, but wanted to break down into smaller groups based on what teachers observe in the classroom to build leadership skills in our students.

New for 2021: Parent Portal and Video Individual Score Reports Illinois Assessment of Readiness for English Language Arts/Literacy (ELA/L) and

Mathematics

Dear Parent or Guardian:

Newark CCSD 66) is pleased to inform you of a new and innovative method for presenting your student Illinois Assessment of Readiness (IAR) test results.

- IAR Parent Portal Introducing https://il-results.pearsonaccessnext.com, where you can access individual student results and resources to support everything you need to know about your child's performance on the Illinois Assessment of Readiness for English Language Arts and Math. This portal also allows you to add your student's Spring 2021 test results to your user account and access them in the future.
- Video Individual Score Reports (Video ISRs) Video ISRs are personalized videos created specifically for your student that walk through the information presented on their student's score report. Delivered via the IAR Parent Portal, video ISRs combine student-specific animation and voiceovers to help you better understand your student's assessment results and direct you to resources that are tailored for your student's needs. We encourage you to watch these videos with your child and discuss any questions with your student's teacher.

As in the past, you will continue to receive paper copies of the Individual Student Reports (ISRs). However, new this year, included on the ISR, will be an individual claim code unique to your student. With this code you will be able to securely access your student's test results in the IAR Parent Portal.

The IAR Parent Portal and Video Individual Score Reports will be available October 26, 2021.

We are excited about the opportunity to strengthen our efforts with you to effectively communicate your student's performance on the Illinois Assessment of Readiness.
