Dropping a Course:

- If you decide after you registered for a course that you no longer want to earn Herkimer College credit, you MUST contact your Guidance Office, complete a Drop/Add form, and ensure the Herkimer College: College Now Office receives it by the deadline (see *Items to Know* form).

- If you only drop the College Now course from you high school schedule without completing this process, you will remain on the Herkimer College roster and will earn a grade at the end of the course—even if that is an "F".

- Prior to registering, understand the potential future financial aid impact via SAP (Satisfactory Academic Progress), which now is applied to College Now students. A student is considered to be making academic progress if they maintain a GPA of 2.0 or higher. A student's academic status is determined by the student's cumulative GPA and/or the number of credit hours earned compared to the number of credits hours attempted. For additional information, please contact the Financial Aid Office at 315-866-0300 x8282 or the Registrars' Office at 315-866-0300 x8280.
