## National Hispanic Heritage Month

Each year, Americans observe National Hispanic Heritage Month from September 15 to October 15, by celebrating the histories, cultures and contributions of Americans whose ancestors came from Spain, Mexico, the Caribbean and Central and South America.

The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402.

## Fire Prevention Month

October is Fire Prevention Month. The goal of Fire Prevention Month (and week October 3rd – 9th) is to raise fire safety awareness, and help ensure your home and family is protected. In 1922, the National Fire Protection Association (NFPA) named the second week of October Fire Prevention Week in commemoration of the Great Chicago Fire in 1871. Today, we celebrate Fire Prevention Week and Month by raising fire safety awareness and educating families, students and communities across the United States. During this month, fire departments provide education to their communities, and encourage parents and loved ones to practice fire prevention and whole home safety.
