Student Assistance Prevention-Intervention Services

Purpose

- Provide substance abuse, violence, and social/emotional support to students in need.
- Address barriers to learning that impact both the individual and the school in order to improve student academic achievement.

Services

- Screening
- Intervention sessions
- Referral Services
- Prevention Services
- Support Groups

Groups are voluntary, confidential, and open to all students. Groups address concerns regarding current and past chemical use, concerns regarding current and past chemical use both by the student and/or someone else's abuse, and support during difficult times in their lives. Youth Coalitions are for all students who have an interest in planning and organizing awareness events to educate and promote a school culture of non-use.

For more information or to refer a student to program participation, please contact:
