- *Fall Fundraiser* - Yvette - \$1500.25 in total sales we earned \$560.00
- *Halloween Voting Contest* - Staff said it was great and thanked us for the voting help

New Business -

- Opening going well! 166 still fully remote - 1/3 of building at any given time.
- 18-19 coming back for this next semester and about 12 or so that are going to go Remote so it is a wash.
- We are meeting the 20% at each building but they are sending out another reminder to have more kids sign up for testing so the same group isn't being tested over and over again.
- PTO and school are in a holding pattern still with end of the year events... still buying awards - need to figure out how they will work out and they may need our help at that point.
- Pictures - thank you for the help! Some teachers did not get pictures taken, some didn't leave rooms. Retakes - Feb 24th - 2pm-4pm Sign up Genius for the retakes.
- Yearbook - pre-orders - double check with Jody McClaine. Many candid pictures and team photos were not able to get done so they readjusted the layout and made pictures larger. 8th grade families - they are looking for their family pictures... - Leslie will figure out how to get the information. Mary will find out when the Clix contract is up

Treasurer's Report - No Denise tonight so no report - she will email us after the report.

SIT Committee - We will help when it is decided

Teacher Appreciation Week

Mr. Frank words - Safe to say NO Field Trips this year.

Open Forum - Nice to see faces at the pictures

Some kind of Winter party outside
